MUSIC PROGRAM

In our music room, we learn the foundations of music theory and aural skills as well as practical performance skills that reflect the cultural diversity of the world around us.

At every assembly, we present a Community Song to show the values and issues we have learned about positivity, respect, peace and empowerment. From Taylor Swift to John Lennon, students learn lyric analysis as well as memory skills for performance.

The Year Ones and Twos have an intensive Dance program, covering folk, traditional, square, instrumental and modern dances. We refine motor skills and have fun taking turns being leaders and followers in a safe, inclusive environment.

Year Threes begin basic theory lessons on the Recorder, as well as trying their hand at composing. Basics on African djembe drumming skills are also covered.

Years Four, Five and Six try their hand at the guitar, the keyboard and the drums, putting together old Rock classics such as Smoke on the Water, Call Me the Breeze and These Boots are Made for Walking. We learn chords as well as finger-picking, left- and right-hand accompaniment, and basic drum patterns.

Our Choir participates in the One Big Voice Festival (formally West Coast Song Fest) every year, sharing songs of inclusivity and positivity with over 4,000 from around WA. We also perform in events such as our school ANZAC ceremony, City of Stirling’s Harmony Day event, and our annual Christmas Concert.

Feel free to pop by (but please call WPS first!) on Wednesdays to visit Mrs Lloyd and the students of Warriapendi Primary School in our Music Room!
