Have you noticed the coloured keys displayed around the school? These keys are to act as reminders of our school’s social and emotional development program. Warriapendi Primary School is a “You Can Do It” school. The You Can Do It program was developed in Australia, at the University of Melbourne, by American psychologist, Professor Michael Bernard. It has been used extensively in the US, the UK, and across Australia, including many schools in Western Australia. It is a program with the goal of fostering the social and emotional development of children, assisting them to develop to their full potential. Within a common theme of developing RESILIENCE, the program focuses on the five key foundations of:

CONFIDENCE
PERSISTENCE
ORGANISATION
GETTING ALONG and
RESILIENCE.
